

Lakes and Farms

This ride begins on the Warren County Bikeway on Lake George. Park at the Million Dollar Beach (fee req'd). After passing Glen Lake, the route heads towards the farmlands of Washington County. Intermediate riders will enjoy the rolling, gentle terrain with only one short incline (Patton Mills Hill). Note: Washington County roads have no shoulders - ride carefully in single file when vehicles are passing. Roads are generally in good condition, but watch for areas of broken pavement. After the ride, relax on the grassy areas on the edge of beautiful Lake George, or walk to the village to enjoy lunch.
