

PROPOSAL FOR PROJECT FUNDING

INTRODUCTION

Warren County Safe & Quality Bicycling Organization, Inc. (WCB), formally recognized by the Warren County Board of Supervisors, is a not-for-profit organization established in 2011. The mission of WCB is to promote safe and quality bicycling in Warren County. In order to achieve our mission, collaboration with bicycling organizations, elected officials, businesses, and community members is ongoing and essential for our success. WCB has a modest budget used to support other groups by funding projects that meet and enhance WCB goals. WCB goals strive to:

1. Educate and encourage bicyclists, motorists, and the public to follow the rules of the road.
2. Advocate for safe bicycling on public roads.
3. Provide additional directional and safe bicycling signage on Warren County roads, the Bikeway, and connector paths.
4. Support municipalities, businesses, and property owners in the expansion of existing and newly-developed mountain biking trails and connector paths throughout Warren County.
5. Promote and advertise Warren County as a “Destination for Bicyclists”.
